## Emergency Meeting - URGENT.

Dear Fingal Club Member,

As you may be aware, the Fingal AGM for 2006 was held on the 1<sup>st</sup> Tuesday of December.

The AGM was inconclusive and as a result, an Emergency General Meeting needs to be held.

Please accept this as notification to hold the Emergency General Meeting on Tuesday 6<sup>th</sup> February in the Black Forge Inn, 163 Drimmagh Road, Dublin 12 at 8 p.m.

All members are URGENTLY requested to attend.

The purpose of the meeting is to effectively secure the future of Fingal MC. A committee needs to be elected which will take up the running of the Club and also promote MotorCycle Racing Events.

Some of the existing Fingal Committee Members are unable to continue in 2007 and so it is essential that new Members can take over the reins and ensure the future of Fingal MC.

Please make every effort to attend this EGM and support the Club that effectively brought Short Circuit Racing to the level it is at today.

Happy New Year.

Fingal M.C. Committee.
